

## ***NETWORKING SESSION 2009***

Networking is a personal challenge so various strategies must be explored in order to have a success ending.

Strategies:

What is a contact?

How do you prepare for the challenges of being unemployed in 2009?

Are there boundaries?

How does follow-up impact your level of success?

How do you stay organized as you navigate through your job search?

Should you keep a paper record of your networking contact?

Open discussion will always follow the general networking sessions.
